## SO WHAT DO YOU WANT?

This question can be as tricky as a triganometry exam.

The options are endless. So how do we figure out what we really want and in the order we want it.

In order to get the truth from our minds we have to complain

Lined paper and pencil required.

Writting the opposite to what we are sick and tired of is just the first step.

We must try to be specific as possible but there will be need to clarify what we want further.

What dose it take to ......
